

# THE DIARY OF MY QUARANTINE

## **March 19th - Memories**

**-Today I went to review family photos and tears came to my eyes when I knew that certain people at that time still loved each other.**

## **March 20th - Reflection**

**-Today I looked in the mirror and reflected that we are perfect the way we are and we do not have to change for the pleasure of others.**

## **March 22nd- Quality time with my mom**

**-Today I completed two jobs at school and helped my mother cook, clean the house and we did physical exercise together.**

## **March 23rd - Cleaning my room**

**-Today I tidied my room and took out the unnecessary things that took up space and in the end I felt more “free”.**

## **March 25th - Basketball and reflection**

**-Today I saw a basketball movie and at the end of the movie I said that if we really want something, we have to do our best.**

## **March 26th - Memories**

**-Today I went to review my childhood photographs and chose some to exhibit in my room.**
